

About Me.

My name is Oscar Pino, I'm located in Orlando, Fl. I represent a group of excellent professionals dedicated to the creation of branding and the management of effective visual communication.

I am a dedicated brand developer with over 12 years of experience in helping entrepreneurs move up to the next graphical level and transmit the right message to the right people.

I collaborate as an ally outsourcing in different ventures throughout the world including Venezuela, Peru, Spain, Paraguay, Panama, and the U.S. I invite you to visit my website and take a look at my portfolio, which includes printed design, web design, branding, graphic design for social networks, and my passion and main area of expertise, motion graphics.

My passion.

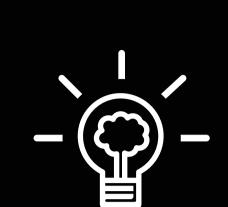

I am passionate about visual communication, visual identity development, and 2d motion graphics. Visual communication allows me to play and try different styles, trends, and forms. Each project is a new experience, and I touch the foundations of design, from print design to digital design such as (web, stationery, animation, etc.).
